

24 Greville Street Farringdon, EC1N 8SS

Location:

This building based in the heart of Farringdon, a 2 minute walk from the station itself.

Description:

A Victorian Warehouse with original exposed brick, wood flooring and steel columns to house great office space and meeting rooms. It is on the corner of saffron hill and just behind Hatton Garden for the diamond lovers. Wander east from Farringdon Station and you'll find atmospheric 18th and 19th-century corners that are regularly used for filming and are literally Dickensian: Saffron Hill and Greville Street, after all, is the location of Fagin's Den "...a dirty and more wretched place he [Oliver] had never seen". Smithfield meat market is a real monument – London's last great central wholesale market – and you're spoiled for pubs and restaurants here.
