It's a seven-minute walk from the Tottenham Court Road Underground station and a few minutes farther from Oxford Circus. Hundreds of buses traverse through the main artery of Oxford Street, which is three minutes away.

Description:

Once a music publishing house which explains the sheet music and grand piano at the entrance - this option, providing coworking and private spaces, is now a tight-knit entrepreneurial community. The historic building is centrally located and retains much of its original charm, including the large bay windows and exposed brick walls. Filling the entire second floor, the dog-friendly coworking space is perfect for anyone in the creative field, from PR firms to media companies to sports brand startups. A large screening room can accommodate 16 people.
