

## 2FA Broadgate 100 Liverpool Street, EC2M 2RH

### Location:

You'll find this building right by bustling Liverpool Street tube and trains station, within the Broadgate campus and a stone's throw from Shoreditch: surrounded by an eclectic mix of retailers, restaurants and architecture. (Plus the Elizabeth Line coming December 2018.)

There's a patchwork of vibrant squares, terraces and piazzas where you can eat, drink, shop and enjoy the entertainment on offer – or just relax and watch the world go by.

### Description:

Eight floors of raw, contemporary design make this workspace stand out in the surrounding street. The reception space is a striking union of warm wood panelling, understated cool, black flooring and tubular lighting.

This is a fresh, clean space with an airy (and air-conditioned) open-plan fit out throughout. You'll find space to park your bike, and take a hot shower. The kitchens come stocked with all the tea and coffee you'll need. And there's a friendly community manager and 24-hour security onsite.

### Features Include:
