

168-172 Old Street Shoreditch, EC1V 9BP

Location:

The building is prominently located on Old Street, on the corner with Bunhill Row, and only moments away from Old Street roundabout. The area is known as Silicon Roundabout and has become internationally recognised as the centre for creative, tech and media companies. Local amenities are excellent with various shops, coffee houses, bars and restaurants in close proximity. The hugely popular street food market on Whitecross Street is also nearby. A minute's walk from Old Street station.

Description:

The office is located in the Lower Ground of the building, however unusually it has plentiful natural light through large windows onto a courtyard as well as light-wells running along the opposite aspect of the space. The floor is fully self-contained with its own discreet entrance and on Bunhill Street, leading to an entrance foyer allowing an occupier to make the space truly their own in its presentation. A tea-point, W.C's and access to the roof terrace in the adjacent Classic House make this a space with excellent facilities but at a low cost for this popular area. A concierge hosted entrance is available on the Old Street entrance.
